Circular

Date: 23.02.2021

Sub.: Advice for sustainable focus on prompt disposal of pending connections

Ref.: Previous Circular dated 06.10.2020 on captioned subject.

Subsequent to previous Circular, the quantum of Pending Connection moved towards a reducing trend and a good number of Regions had also nearly reached their defined Target as on 30.11.2020.

But recent system generated report dated 22.02.2021 on "Week ending status of connection disposal" reveals that number of Pending connections against majority Regions are again moving upwards. These weekly reports are regularly being circulated from the CMD Cell upto the Divisional Manager level.

The last report dated 22.02.2021 has already been circulated to all respective concerned on date.

It is reiterated that this issue is an important performance parameter and it is directly linked with Revenue earning of the Company.

In view of above, it is instructed to all concerned for prioritised & sharp attention for reduction of the pending connections in respect of all the units (CCC / Division / Region) against the specified classes (i.e. Domestic, Commercial, Industrial & Agriculture).

Present target is for the pending connection reduction by 25% from present figure by all levels (mentioned in 22.02.2021 report) within 05.04.2021, after considering & disposal of fresh cases to be submitted from now till dead line of 05.04.2021.

Director (Distribution) shall also instruct one assigned Addl. C.E of Dist. H.Q for regular monitoring & follow-up with the sites in this regard.

Above instructions should strictly be adhered to.
